

To protect your identity and personal information even more, Bank & Trust Company has implemented a new security feature as added protection against fraud. We would like for you to complete this form and provide us with a Bank Identification Number (BIN) and answer the three security questions below. Your BIN will be used to verify your identity. It could be requested on applications, when you call the Account Line 24, when you call the bank for phone or wire transfers, or any time the bank needs to verify your identity. Please return form to any branch location or mail it to 401 N. Madison, Litchfield IL 62056.
