As with any Foundation that grants funds, a measure of accountability is expected of the organization enjoying the benefits of those funds.

The Elizabeth S. Baker Trust Foundation expects that funds will be utilized for the outlined and intended project/service as quickly as possible. Confidence exists from the Baker Foundation that each organization awarded funds will exhibit accountability, produce results, and use the awarded funds as intended.

The Elizabeth S. Baker Foundation Committee may request/inquire as to the status/result of products and services funded. Future accountability may be requested of your organization.
